

# Get on Canada's fastest\* mobile network.

\*Based on TELUS' tests of data throughput speeds in large Canadian urban centres available from national HSPA+ service providers. Internet access speed provided by the network operator may vary due to the device being used, network congestion, distance from the cell site, local conditions and other factors. Speed on the Internet is beyond the wireless network operator's control and may vary with your configuration, Internet traffic, website server and management policies, and other factors. Coverage areas are approximate. Actual coverage and network services can vary and are subject to change. © 2010 TELUS.
