You can find a complete breakdown of your share plans in the Group Summary section of your invoice. It lists all charges and savings related to your share plans in a few easy to understand categories. A more comprehensive view of your share plans along with complete detailed billing can be found in your e.bill through mytelusmobility.com.

Group Summary

This section is included on accounts with multiple subscribers. It includes a breakdown of invoice costs for each individual subscriber, with sub-totals.

a Available Local Sharing Minutes

Details the total number of minutes that may be used for sharing. This includes each users plan minutes plus any bonus sharing minutes.

b Subscriber Local Usage Minutes

The total number of local airtime minutes used during the billing period.

c Contributed Sharing Minutes

Represents any unused minutes each user may contribute to other users in the account.

d Overage Prior to Sharing

Indicates the local overage minutes that would have been incurred without minute sharing.

e Charges Before Sharing

Indicates the local overage charge that would have been incurred without minute sharing.

f Actual Overage Minutes

Indicates the new local overage minutes attributed to each user.

g Actual Overage

Indicates the new local overage amount attributed to each user.

h Savings Minutes

Details, if available, any minutes saved as a result of minute sharing.

i Savings

Details, if available, the amount saved as a result of minute sharing.
